

WELCOME TO EMERGING LEADERS

Congratulations on making the bold choice to seize your future, and join us as we reveal new, effective ways to manage the resources of your salon. This program will demand that you step out of your comfort zone and into a new space where success is the norm, but the work won't always be easy. Your decision to join says you're ready to grow, looking forward to the challenge, and committed to bettering yourself as a person and beauty professional. We're committed to challenging you, helping you overcome that challenge, and achieving your ultimate goals.

Our Emerging Leaders coaching program is a one-of-a-kind leadership process for developing great management habits that build confidence and serve your life.

Each module and mastermind coaching call is designed to increase your effectiveness in solving problems and create systems for decisive leadership, along with powerful communication practices enabling you to make real changes with results. With 60-minute Mastermind Zoom calls twice a month with our Empowering You Consultants, you will walk away with clear action steps to guide you in accomplishing the tasks you set out to do.
