

Six Figure Tribe

Your Roadmap To Success And Creating Your Dream Paycheck

Checklist For Owners

- Meet with your team and make sure they understand what Six Figures Tribe is and what they can expect
- Have your team members reach out to their coach to set them up for success
- They will need to join an orientation call that happens the 1st Wednesday of the month at 2pm Eastern Time
[Click here to join the orientation call](#)
- Have your employees sign the Six Figure Commitment Letter
[Click here to view the letter](#)
- Make sure everyone's schedules are blocked out for the group coaching calls
[Click here to add the calls to your calendar](#)
- Have your team schedule 30 minutes a week to watch the videos and do the work
- Print out the all in one workbook for them
[Download the workbook](#)
- Feel free to jump in on the Six Figure Tribe calls as you wish

We want you to feel good about what your team is learning so we will give you access to the program as well. Please watch the videos and support your team on the Homeplay and that they are implementing what they are learning.

We have learned that assigning accountability buddies works!
So If you do have a few team members going through it at the same time, have them buddy up to hold each other accountable to the implementation.
