B-SCHOOL FOR INDUSTRY

B-School for Industry is a live, three-day intensive experience where you'll learn and implement ironclad business strategies for your salon, spa, beauty or service-based business.

We will help you understand what you need to do to become a leader, maximize your front desk, optimize your retail, polish your books and teach you how to tap into your team's potential. We give you our tried and tested tools and breakthrough blueprints, plus we'll teach you smart, result-based strategies so you can grow, streamline your business, or scale it big.
