EMPOWERING YOU®

MASTER THE CONSULTATION

5 STEPS TO 6 FIGURES

Double your income and wow clients with our proven five-step salon system. This intensive training series will take you through each area of the consultation and show you simple solutions to making more money than you've ever dreamt of.

HOW DOES IT WORK?

This 7-module training is self guided which means it has to become part of your day to day life for a minimum of six weeks listening on a regular basis. You will have a handout that goes along with each training that will help you keep track of what you learn.

Working on and practicing new ways of doing things and new ways of thinking about your business will be key to seeing major results.

WHO WILL BENEFIT?

If you've ever struggled with keeping a simple, solid system in place that sets you up for successful consultations every day, this is the program for you.

Master the Consultation is perfect for those who long for immediate results with their clients. Service providers and top-line employees will learn proven strategies on how to increase income with ease.

ARE YOU READY TO MASTER YOUR CONSULTATION?

It's time to up-level the way you do business as a service provider and make the money you deserve.

Follow this training and become a master at your consultation!
