

WE LOVE REFERRALS

We believe **Empowering You®** Consulting would be most effective in supporting and growing your business. Our focus will be on **finance** and **profitability** to creating a culture that leads to success. We want to help raise the average order size for each level of business *at least 10%*.

Our intention is to create client loyalty to you and increase their market potential through easy-to-implement tools for the salon and spa owners.

We know the challenges owners face in growing a successful salon or spa. At **Empowering You®** Consulting, our Coaches & Trainers have built their businesses from scratch, shaping them into customer-pleasing, money-making, I-want-to-work-there salons.

Hard work, thoughtful strategies, and helping hands is a recipe for success. **Empowering You®** wants to be that **helping hand** that pushes your accounts business to their next level.

Our ideal clients are the owners and service providers who want to elevate themselves and their business.

Partner with us and receive a free ticket to a B School for Industry for you to attend.

Want to make a little residual income plus boost your sales in clients purchasing retail and color?

Schedule a time to talk to an Empowering You® rep to learn more about our programs.

Call or text 812.455.1367 now to find out how! We love writing referral checks to you!
